Telehealth Services

The Public Employee Benefits Alliance (PEBA) was created by a group of Texas Government leaders working together for over a year to develop strategies to manage the rising costs of healthcare benefits. PEBA was established in January 2006 and was created pursuant to Chapter 791 of the Texas Local Government Code, the Purchasing Program Chapter 271 of the Texas Local Government Code and all other applicable provisions of Texas Law. PEBA membership is open to all Texas Local Governments who pay an annual membership fee and execute a PEBA Participating Interlocal Agreement. However, Local Governments who are members of one of the political subdivision Pools will obtain automatic annual PEBA membership through the participating Pool. An additional per proposal fee is established for proposal participants for all non-Pool members.

PEBA's mission is to support the individual members by providing: negotiation services to manage the spiraling cost of healthcare and related benefits, work through the alliance procurement model to purchase healthcare and related benefits a competitive price, and contractual negotiations which will include vendor service accountability requirements. In order to accomplish this mission, PEBA makes a commitment to negotiate on behalf of the membership affordable, high-quality healthcare and related benefits and services.

The PEBA Board met December 19, 2014 and made the decision to approve the PEBA Administrative Services staff recommendation to execute a three year contract with Healthiest You for telehealth services.

The term of the contract will commence on January 1, 2015 through January 31, 2017. To be eligible for the new PEBA contract, the membership will be required to sign a Letter of Intent.

Healthiest You Implementation Steps

1. **Submit Enrollment Information:** A group application and employee census must be completed and sent to enrollment@healthiestyou.com.
2. **Educational Materials:** Materials are available for download/print on hyadmin.com. If you have specific educational needs, Healthiest You will be happy to discuss employer program customization.
3. **Welcome Kit:** Welcome materials will be mailed to each eligible employee at the address provided on the group census. The group census must be returned no later than 7-10 business days prior to effective date to ensure welcome kits arrive on or before the service effective date.
4. **Billing & Invoices:** An e-mail notification will be sent on the 20th of each month alerting you that a draft invoice for your next month's services is ready for review and accessible online. On the 1st of each month you will receive a PDF copy of your invoice via e-mail, along with payment remittance instructions. Payments may be made securely online using our billing partner, bill.com or mailed to the office.
5. **Group Administration:** Online access to the group administrator listed on the group application will be granted. This will provide real-time access to make changes to your group (i.e. adds, terminations, plan changes, updates, etc.) Administrators can login by going to healthiestyou.com and clicking ADMINS at the top of the page. Login information will be sent to the admin once the group implementation has been completed.

HealthiestYou recognizes the need to protect the privacy of PHI in order to facilitate the effective delivery of health care. Security Policies and Procedures were provided with a Business Continuity Plan. Credentialing information will be submitted quarterly for PEBA's Administrative Services staff review to ensure appropriate credentialing occurs for the network of telehealth physicians.
